My dear Raza.

Indeed, it is wonderful to have received a ~~lett~~ card from you and that too from Bombay. Sakina and I am as anxious to meet you both and to spend long hours together so that we may get to know each other more. I recall last time when you were in Bombay I believe I left for London. We also think about the time which Sakina & I spent at your home in Paris. And it has never occurred to me till now to say "thank you both". It is a pity that ~~you are~~ ~~and~~ I will not be able to show you my most recent work.

Anyway I plan to leave N. Delhi around 31st and will

spend eight days in Bankay i.e. we
shall fly on 8th Feb. I suggest
why don't you defer your departure
to Delhi till then.

With my Janine and your
marvellous love and our fondest
love.

Myeb.
