Dear Jeanin & Raza?

Thanh you for writing two letters to us.

I really made a checque-mess to you. They boule did not read my writing and made the mistake of Jeanne's name.

Excuse my mess You did know that I alway make a mess for your. I also hope that Arafins mistake of date has sorted out that I how it is to have messy and buryers!!

when it comes to "my" house a am seriousely interested in benying the house cristed crist Petres too) and would appreciated any wind of help from you. Would you begans chance be able to burn when they amounded to sell the trouse; if they want to sell it. Would it be any idea to ame down for a week end when we know more of their attitude? I will call you take.

have with rain every day No summer at all.
The six girls of the "club" asse going to copenhagen
this week- end to see an infecting exhibition

in touisiana about decoration.

have to both of you flee of NP

this letter has been in my case of 5 days!! Sove from Harri, she came into my shope 5 min ago and she is looking froward to open Rolands exhibition on Thursday. This lune a very special one. Costy this spring Roland was out fishing in his boat when the weather became shring and his morn did not work. See felt lost and miserable and prayed to his God and promised that if he was saved he would make a whole exhibition to the hormour of bod. Heat's what he has done and the sculptures are faboulous and a little chazy, Muni soys.

due agai
